25 January 2012

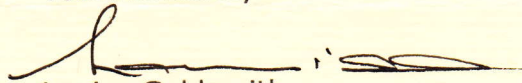

Mr John Steele
The Horsham Society
2 Old Denne Gardens
Horsham
West Sussex
RH12 1JA

Dear Mr Steele

Thank you for your letter dated 19 January. You will have recently received a letter from Graham Glenn our Valuation and Estates Manager, confirming my Cabinet Member's decision to appropriate the land from education to planning purpose, together with an explanation of the County Council's position following the recent appeal against Horsham District Council's decision on the specific planning application lodged.

Whilst I note the Society's desires, I can confirm that the site will now be reviewed with Horsham District Council as part of their evolving local planning work to ensure that all opportunities are explored that maximise benefit for the communities of West Sussex and once we have considered all options will be pleased to discuss these further with you.

Yours sincerely

Louise Goldsmith
Leader West Sussex County Council
